THE FACTS

I. The Parties

16. At all material times prior to January 11, 2018, the Defendants owned and operated a dental practice known as Diamante Dental at 100 E. Allegheny Avenue, Philadelphia, PA 19134 (“Diamante Office”).

17. At all material times prior to January 11, 2018, the Defendants owned and operated a dental practice known as Paradise Dental at 2338 N. Front Street, Philadelphia, PA 19133 (“Paradise Office”; and together with the Diamante Office, collectively the “Subject Dental Businesses”).

18. On January 11, 2018, Plaintiffs DW PC and DW Holding contemporaneously acquired substantially all of the assets of the Subject Dental Businesses, including, without limitation, the client list/client base and all billing and treatment records relating to such clients, from the applicable Defendants under the terms and conditions of two related asset purchase agreements dated as of January 11, 2018 (“Purchase Agreements”).

19. Plaintiff DW PC entered into one Purchase Agreement (“PC Purchase Agreement”), a true and correct copy of which is attached hereto as **Exhibit A**.¹

20. Plaintiff DW Holding entered into the other Purchase Agreement (“Holding Purchase Agreement”), a true and correct copy of which is attached hereto as **Exhibit B**.

21. After the January 11, 2018 closings under the Purchase Agreements, Plaintiff DW-G PC succeeded to the rights and claims of Plaintiff DW PC under the PC Purchase

¹ For this Complaint, certain portions of the PC Purchase Agreements have been redacted for client, staff and related privacy and confidentiality purposes.

Agreement.

II. Defendants' Fraudulent Scheme

22. Prior to the January 11, 2018 closings and unbeknownst to Plaintiffs, the Defendants owned and operated the Subject Dental Businesses and/or their other affiliated dental office businesses as part of an unlawful racketeering enterprise intended to defraud the Plaintiffs, the government, insurers/third-party payers and/or others, as more fully described herein, including, without limitation, by:

- (a) illegally billing and collecting money from insurers/third-party payers through the mail and/or electronic communication for more expensive and/or unnecessary dentistry services when a more cost-effective service was appropriate.
- (b) illegally billing and collecting money from insurers/third-party payers through the mail and/or electronic communication for dentures and/or other dentistry services which were never rendered or completed.
- (c) illegally billing and collecting money from insurers/third-party payers through the mail and/or electronic communication for dentistry services allegedly provided by Defendant Aranbayev, when in fact the dentistry services were provided by other dentists who often times were not credentialed to bill for such dentistry services with the applicable insurer/third-party payer.
- (d) illegally submitting x-rays and other supporting documents to third-party payers through the mail and/or electronic communication in connection with insurer/third-party payer audits, investigations, actions and/or

proceedings when the supporting materials related to another patient (i.e. not the patient allegedly receiving the dentistry services).

- (e) illegally submitting false claims for dentistry services through the mail and/or electronic communication in violation of the federal False Claims Act and/or other applicable law, standard industry practices and/or contractual terms with insurers/third-party payers.
- (f) illegally falsifying employment, payroll, and/or other business records and information in order to underpay their employed dentists and/or other staff.
- (g) illegally misclassifying employees as independent contractors.
- (h) illegally filing false and/or misleading tax returns through the mail and/or electronic communication with the Internal Revenue Service and/or other taxing authorities.

23. The Defendants fraudulent and unlawful conduct with respect to the Subject Dental Businesses caused the financial information presented to the Plaintiffs in connection with the Purchase Agreements to be false and misleading by, *inter alia*, overstating revenues and prospects, and understating expenses and liabilities, of the Subject Dental Businesses and the related assets acquired by the Plaintiffs under the Purchase Agreements.

24. Prior to the January 11, 2018 closings and unbeknownst to Plaintiffs, the Subject Dental Businesses were audited, investigated, reprimanded and/or disciplined by several key insurers/third-party payers including those administering federal funds for dentistry services.

25. For instance, by letter dated June 1, 2017, the Defendants received notice from insurer/third-party payer Dental Benefits Providers (an affiliate of United Healthcare Services,

Inc.) that Defendants were submitting treatment codes at rates deviating significantly from their market peer group average and thus were being put on pre-payment review. The June 1, 2017 letter enclosed a Peer Comparison Report showing the significant deviations between the Defendants billing patterns and those of their peers. Defendants were required to but never disclosed these material adverse events to the Plaintiffs in breach of the Purchase Agreements. A true and correct copy of the June 1, 2017 letter is attached hereto as **Exhibit C**.

26. In addition, by letter dated October 31, 2017, the Defendants were notified that insurer/third-party payer Keystone First was auditing and/or investigating Defendant Diamante in connection with Medicaid claims and requesting supporting records. Defendants were required to but never disclosed these material adverse events to the Plaintiffs in breach of the Purchase Agreements. A true and correct copy of the October 31, 2017 letter is attached hereto as **Exhibit D**.

27. Moreover, insurer/third-party payer Avesis Third-Party Administrators, Inc. (“Avesis”) audited, investigated and/or took adverse action against the Defendants prior to the January 11, 2018 closings. Avesis insured a majority of the clients/patients of the Subject Dental Businesses, numbering in the thousands, who were supposed to be acquired as part of the sale assets under the PC Purchase Agreement.

28. In the summer or early fall of 2017, Avesis began rejecting all or substantially all of the dentistry services claims submitted by the Defendants, presumably due to the Defendants’ unlawful conduct more fully described herein. This resulted in loss of revenues, loss of profits, loss of business prospects, reputational damage and other material adverse changes to the Subject Dental Businesses and the related sale assets under the Purchase Agreements. Defendants were required to but never disclosed these material adverse issues and changes to the Plaintiffs in

breach of the Purchase Agreements.

29. Avesis also put Defendant Aranbayev and other dentists employed by Defendants Diamante and Paradise on probation. While Defendant Aranbayev and the other Defendants received probation notices, they concealed them from the dentists and staff, presumably to avoid disruption or reduction in their productivity and billing.

30. In response to requests for supporting documents and data from the investigating insurers/third-party payers, Defendant Anna Chistyakova and the other Defendants created and submitted (via mail and/or electronically) false treatment records as if such were contemporaneously prepared by the employee dentists at the time the subject dentistry services were rendered. In fact, these records were fraudulent and intended to conceal the Defendants' unlawful conduct more fully described herein.

31. These audits, investigations, actions and/or proceedings of the insurers/third-party payers resulted in, *inter alia*, claims of overpayments and demands for refunds, recoupments and reimbursements from the Defendants, which was concealed from the Plaintiffs.

32. In 2017, sensing the impending collapse of the Subject Dental Businesses as a result of their unlawful conduct, the Defendants began to actively market the Subject Dental Businesses for sale, and Plaintiffs responded to these marketing efforts.

33. During the course of due diligence prior to the January 11, 2018 closings, the Defendants were required to but did not disclose the audits, investigations, actions, proceedings, pre-payment reviews, dentist probations, claim denials, overpayments, demands for refunds/recoupments/reimbursements and the distressed financial and operational condition and prospects of the Subject Dental Businesses and related sale assets from the Plaintiffs. Instead, the Defendants painted a false picture that the Subject Dental Businesses, the related sale assets and

their future prospects were bright and positive, when they were not.

34. Through the financial information and documents produced in due diligence and otherwise, Defendants promised, represented and warranted to Plaintiffs that the Diamante Office assets yielded (and would continue to yield after closing) approximately \$1,000,000 in gross revenues, and the Paradise Office assets yielded (and would continue to yield after closing) approximately \$750,000-\$800,000 in gross revenues. However, as more fully described herein, these promises, representations and warranties proved to be knowingly false and misleading.

35. Defendants were obligated to identify their insurer/third party payer relationships on Schedule 4(r) under the PC Purchase Agreement, but they never did. Defendants intentionally avoided and delayed producing the schedule. They promised to bring it to closing, but then claimed to have forgotten. They promised to produce it immediately after the closing, but never did. This was all a sham and part of Defendants' scheme to conceal the distressed condition of their insurer/third-party payer relationships from Plaintiffs prior to closing.

36. On January 11, 2018, and based upon the false and misleading statements, representations and warranties of Defendants and their other fraudulent inducements, the signatory Plaintiffs executed the Purchase Agreements and closed on the transactions contemplated thereunder.

37. Immediately following the January 11, 2018 closings, DW-G PC hired Defendants' employee dentists as contemplated under the PC Purchase Agreement, unbeknownst of their probations and licensing problems.²

38. About a week or so after the January 11, 2018 closings, the Plaintiffs received notice that Avesis was terminating the provider agreements with the hired dentists on probation.

² To date, only one of these dentists is employed with DW-G PC due, in whole or in part, to the unlawful conduct of Defendants and its resulted harm to Plaintiffs.

Avesis stated that Defendants were on probation for a long time. Avesis further stated that it would not credential any dentists at the Diamante and Paradise office locations due to the unlawful conduct of the Defendants.

39. Avesis's termination of business relations and refusal to credential dentists at the Diamante and Paradise offices caused the Plaintiffs to lose thousands of clients, representing a substantial majority of the acquired client base and revenues of the dental offices.

40. Without Avesis and its clients, the Diamante office suffered unsustainable loss and was forced to cease operation in July 2018. This resulted in the loss of approximately \$1,000,000 in anticipated annual gross revenues, staff layoffs, termination costs and expenses and other harm to Plaintiffs.

41. To date, the Paradise office remains operational, but has suffered significant losses in revenues, operations, prospects and otherwise due to the loss of Avesis and its clients and the unlawful conduct of Defendants.

42. Plaintiffs also discovered after the closings that the hired dentists' production/billing levels were significantly less than represented and warranted by Defendants on Schedule 4(o) of the PC Purchase Agreement.

43. In order to conceal their unlawful conduct following the closings, the Defendants unlawfully accessed the Plaintiffs' computer systems and offices to destroy electronic and other client/patient records and data, which was a part of the sale assets under the PC Purchase Agreement.

44. When Plaintiffs discovered the unauthorized computer access and destruction of electronic documents and data, Plaintiffs hire a computer consultant to investigate the unauthorized computer access, to replace certain computers and devices, and prevent further

unauthorized access by Defendants.

45. After the closings, the Defendants attempted to silence their former staff about what they had witnessed by, *inter alia*, demanding they execute non-disclosure agreements and through other intimidation tactics. A true and correct copy of a non-disclosure agreement dated January 12, 2018 that the Defendants attempted to get the office manager/biller to sign is attached hereto as **Exhibit E**.

46. Defendants also failed to perform the transitional and post-closing services under Section 5 of the Purchase Agreements by, *inter alia*, refusing to cooperate with the transition of business relationships and refusing to provide information about the sold assets.

47. After the January 11, 2018 closings, clients of the Subject Dental Businesses began complaining that Defendants failed to complete their dentures from prior years. Plaintiffs discovered that Defendants billed and collected money from insurers/third-party payers for dentures but failed to complete the services. Some of these clients were not eligible to receive additional insurer funds for corrective denture services, which caused harm to Plaintiffs' reputation and business.

48. After the closings, and due to Defendants' unlawful conduct, Plaintiffs were forced to make unanticipated investments and incur unanticipated losses in connection with the transactions contemplated under the Purchase Agreements.

49. Had Plaintiffs known about Defendants' unlawful conduct and scheme more fully described herein, and the true condition (operational, financial and otherwise) and prospects of the Subject Dental Businesses and the related assets acquired under the Purchase Agreements, the Plaintiffs would have never entered into the Purchase Agreements or consummated the transactions contemplated thereby.

50. By letter dated February 15, 2018, the Plaintiffs notified the Defendants about the discovery of their unlawful conduct and demanded indemnification and other remedies under the Purchase Agreements and applicable law. A true and correct copy of such February 15, 2018 letter is attached hereto as **Exhibit F**.

51. However, the Defendants refused to remedy their defaults or honor their indemnification and other obligations under the Purchase Agreements and applicable law.

52. As more fully described herein, Defendants have breached legal duties to the Plaintiffs under the Purchase Agreements and applicable law, and as a consequence Plaintiffs have suffered and will continue to suffer irreparable harm, loss and damage, including, without limitation, loss of funds, loss of business value, loss of data and information, loss of past and future revenues and profits, loss of reputation, and loss of goodwill, in an amount to be determined at trial, which damages are ongoing and continue unabated at the time of filing of this Complaint.

53. The actions and conduct of the Defendants, which induced the Plaintiffs' detrimental reliance thereon, was outrageous, fraudulent, malicious and reckless, thereby entitling Plaintiffs to punitive damages as well as compensatory damages, consequential damages, indemnification, attorney's fees and costs and other damages and relief under the Purchase Agreements and applicable law.

54. The Defendants' unlawful conduct and resulting harm to Plaintiffs was foreseen or foreseeable by Defendants, but disregarded so they could improperly gain and benefit at the expense of Plaintiffs.

COUNT I
VIOLATION OF RACKETEER INFLUENCED AND CORRUPT
ORGANIZATIONS ACT, 18 U.S.C. §1962(c) ("RICO")
(Plaintiffs v. All Defendants)

55. Plaintiffs incorporate by reference the foregoing paragraphs of this Complaint as if set forth fully herein.

56. 18 U.S.C. § 1962(c) states that it “shall be unlawful for any person employed by or associated with any enterprise engaged in, or the activities of which affect, interstate or foreign commerce, to conduct or participate, directly or indirectly, in the conduct of such enterprise's affairs through a pattern of racketeering activity...”

57. Each of the Defendants is a “person” within the meaning of 18 U.S.C. § 1961(3).

58. 18 U.S.C. § 1964(c) creates a private right of action for violation of the RICO statute.

As more fully described herein, the Defendants violated 18 U.S.C. § 1343 by, *inter alia*, devising or intending to devise a scheme or artifice to defraud, or to obtain money or property by means of false or fraudulent pretenses, representations or promises, and the Defendants knowingly caused to be transmitted by means of mail and/or wire communications in interstate commerce, writings, signs, and signals for the purpose of executing the scheme or artifice, or attempting to do so. The aforementioned fraud was conducted through, *inter alia*, communications by mail and/or wire for purposes of 18 U.S.C. § 1343, and the Plaintiffs and other third parties reasonably relied on such fraudulent and deceptive communications initiated by the Defendants.

60. As more fully described herein, the Defendants violated 18 U.S.C. § 1344 by, *inter alia*, devising or intending to devise a scheme or artifice to defraud a financial institution, or to obtain the money and funds under the custody or control of, a financial institution, by means of false or fraudulent pretenses, representations, or promises.

61. Defendants' scheme involved numerous false and misleading statements, and/or omitted to state material facts when required, in order to fraudulently induce third-party payers administrating government funds for the reimbursement or payment of dentistry services through the submission of false claims in violation of the False Claims Act as more fully described herein. The Defendants' fraudulent inducement of the Plaintiffs to enter into the Purchase Agreements based on knowingly false and misleading material representations that the Subject Dental Businesses were conducted in a lawful manner when in fact they were not, all in an effort to convert funds of Plaintiffs and/or other third parties held in financial institution(s) for their own personal benefit and with full knowledge that Defendants were defrauding such insurers/third-party payers administrating government funds for the reimbursement or payment of dentistry services and the Plaintiffs in violation of the Purchase Agreements and applicable law.

62. Defendants are engaged in interstate commerce as a result of their operation of the Subject Dental Businesses and billing for dentistry services of out-of-state entities such as Avesis (based in Maryland) that is administering governmental funds for dental services, as part of the scheme more fully described herein.

63. Defendants, and each of them, have committed numerous predicate acts for violation of the RICO statute, including mail, wire and bank fraud, as more fully described herein.

64. The facts demonstrate that Defendants unlawfully, willingly, knowingly and/or with reckless disregard performed acts and/or omissions, and conducted or participated in the conduct, directly or indirectly, of the business and affairs of Subject Dental Businesses and their other dental offices through a pattern of racketeering activity, as more fully described above.

65. Defendants, in their pattern of racketeering activity, regularly used interstate telephone and facsimile transmission lines, cellular phones, and Internet transmissions, while engaging in interstate commerce for the purpose of committing mail, wire, investment, bank and/or other fraud and/or deceit, and conspiring to commit mail, wire, investment, bank and/or other fraud and/or deceit, as described more fully herein and actionable under the RICO statute.

66. The pattern of racketeering activity for which the Plaintiffs seek legal recourse involves multiple related predicate acts over the course of several years, all constituting mail fraud, wire fraud, investment fraud, bank fraud and other actionable conduct defined by 18 U.S.C. §§ 1343 and 1344, which directly caused financial harm to the Plaintiffs.

67. As a direct and proximate result of the aforementioned RICO conduct, the Plaintiffs have suffered substantial damages.

COUNT II
VIOLATION OF THE COMPUTER FRAUD AND ABUSE ACT
(Plaintiffs v. All Defendants)

68. Plaintiffs incorporate by reference the foregoing paragraphs of this Complaint as if set forth fully herein.

69. Plaintiffs' computers and computer systems used by Defendants as part of their transitional and post-closing services under Section 5 of the Purchase Agreements constitute "protected computers" within the meaning of 18 U.S.C.A. § 1030(e) because they are computers used in interstate or foreign commerce or communication.

70. Defendant Martirosyan and/or the other Defendants knowingly, intentionally, and with the intent to defraud Plaintiffs directly accessed Plaintiffs' computers after the January 11, 2018 closings in order to conceal their unlawful conduct, including, without limitation, by deleting patient service, billing and other records acquired under the PC Purchase Agreement.

71. The accessing of Plaintiffs' computers by Defendants was without authorization or exceeded Defendants' authorized access, and was in furtherance of the Defendants' fraudulent scheme more fully set forth herein.

72. Defendants' conduct caused damage to said computers and computer systems, by impairing the integrity and/or availability of data and information contained therein, and caused Plaintiffs to engage a computer consultant to investigate, repair, replace and/or limit access of the Defendants to such computers and computer systems.

73. As a result, Defendants furthered their intended fraud upon Plaintiffs and obtained and destroyed information and data of value and otherwise caused harm to Plaintiffs in excess of \$5,000.

COUNT III
FRAUD
(Plaintiffs v. All Defendants)

74. Plaintiffs incorporate by reference the foregoing paragraphs of this Complaint as if set forth fully herein.

75. In furtherance of their unlawful and fraudulent scheme as more fully set forth above, *inter alia*, the Defendants made numerous misrepresentations, actions and omissions to the Plaintiffs including, *inter alia*, by:

- (a) deceiving the Plaintiffs into believing that the Subject Dental Businesses and related sale assets were conducted in a lawful manner, when in fact there was significant fraud in the rendering and billing of dentistry services that resulted in the Plaintiffs' loss of Avesis, its client base, related revenues and profits and caused other harm to Plaintiffs and the sale assets under the Purchase Agreements; and

- (b) misrepresenting and overstating the Defendants' operational and financial condition and success when in fact the Defendants knew, or ignored the likelihood that, the Subject Dental Businesses and sale assets under the Purchase Agreements were and would be substantially damaged after the closings through the known or anticipated loss of Avesis and its related client list/client base and dentist probations and licensing issues; and
- (c) misrepresenting and overstating the financial statements, tax returns and operational and financial condition and success of the Subject Dental Businesses and related sale assets by creating false documents and records that caused a material overstatement of revenues and/or a material understatement of expenses of the Subject Dental Businesses and sale assets under the Purchase Agreements; and
- (d) concealing the Defendants' intention to access the computer systems of the Plaintiffs after the January 11, 2018 closings in order to destroy patient billing records and other electronic data in order to conceal the Defendants' unlawful conduct; and

- (f) knowingly concealing the investigations, probations and anticipated termination of billing privileges, credentialing and participation with

Avesis, the crown jewel insurer/third-party payer of the Subject Dental Businesses with whom a majority of the client base was insured, from the Plaintiffs in violation of the Purchase Agreements and applicable law; and (g) knowingly failing to provide the promised client base, staff and other sale assets under the Purchase Agreements to the Plaintiffs in the condition represented and warranted under the Purchase Agreements.

76. Plaintiffs believe and therefore aver that the aforesaid misrepresentations, actions and omissions were material, false and knowingly and intentionally made by the Defendants to the Plaintiffs.

77. Plaintiffs believe and therefore aver that at the time of the misrepresentations and omissions, the Defendants knew, or recklessly disregarded the fact, that these misrepresentations and omissions would mislead Plaintiffs, and that Plaintiffs would act in reliance upon them.

78. Plaintiffs reasonably relied upon these material misrepresentations and omissions.

79. As a direct and proximate result of such reliance, Plaintiffs have been damaged.

1) own, manage, organize, operate, finance, advise, be employed by, consult to or participate in or assist with the ownership, management, organization, operation or financing of or permit its or their names to be used by or in connection with any dentistry practice, dental business, and/or any and all other business and/or enterprise which is similar to and/or competitive with the Buyer Parties' dentistry practice and/or dental business and/or the business and/or activity of any person and/or entity owning, operating, leasing and/or using the Sale Assets (collectively, "Competitive Activities") within a five (5) mile radius of each Office Location and any other office and/or place of business of the Buyer Parties (collectively, the "Restricted Territory").

2) induce, canvas, encourage and/or solicit, or participate in or assist with, the inducement, canvassing, encouragement and/or solicitation of, any actual or prospective client, customer, or patient of Buyer Parties to (A) patronize a dentistry practice and/or dental business other than that of the Buyer Parties, (B) seek or obtain dentistry and/or dental services and/or goods from any person or entity other than the Buyer Parties, or (C) reduce or eliminate the level of services and/or goods purchased or otherwise obtained from the Buyer Parties;

3) persuade, stimulate, influence or hire, or attempt to persuade, stimulate, influence or hire, any employee or contractor of the Buyer Parties, or to encourage any such employee or contractor of the Buyer Parties to become employed, engaged or affiliated at any time with any other person or entity other than the Buyer Parties;

4) engage or participate or support any actions which could adversely impact the business, success and/or reputation of the Buyer Parties.

b. Each of Sellers, Sellers' Shareholder and Sellers' Managers acknowledges that the provisions of this Section are reasonable and necessary to protect the interests of Buyer, that any violation of this Section will result in an irreparable injury to Buyer and that damages at law would not be reasonable or adequate compensation to Buyer for violation of this Section and that, in addition to any other available remedies, Buyer shall be entitled to have the provisions of this Section specifically enforced by preliminary and permanent injunctive relief without the necessity of proving actual damages or posting a bond or other security and to an equitable

accounting of all earnings, profits and other benefits arising out of any violation of this Section. In the event that the provisions of this Section shall ever be deemed to exceed the time, geographic, product or other limitations permitted by applicable law, then the provisions shall be deemed reformed to the maximum extent permitted by applicable law.

c. Sellers, Sellers' Shareholder and Sellers' Managers shall be jointly and severally liable and responsible to Buyer (and its successors and assigns) for any breach or violation of this Section 7, including, without limitation, any and all Damages (including, without limitation, reasonable attorneys fees, court costs, expert fees, etc.) incurred in connection with any action or proceeding by the Buyer (and its successors and assigns) to enforce the terms of this Section 7 against the Sellers, Sellers' Shareholder, and Sellers' Managers.

b. *Governing Law; Jurisdiction; Service of Process.* This Agreement and its interpretation shall be governed by the laws of the Commonwealth of Pennsylvania. Any action or proceeding seeking to enforce any provision of, or based on any right arising out of, this Agreement may be brought against any of the parties only in the federal or state courts of competent jurisdiction in Bucks County, Pennsylvania, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue laid therein.

c. *Further Assurances.* The parties hereto agree (i) to furnish upon request to each other such further information, (ii) to execute and deliver to each other such other documents, and (iii) to do such other acts and things, all as the other party hereto may at any time reasonably request for the purpose of carrying out the intent of this Agreement and the documents referred to herein. Sellers will use their best efforts to obtain any consents required to transfer and assign to Buyer all contracts, authorizations and other rights of any nature whatsoever relating to or constituting part of the Sale Assets, it being understood that neither Sellers nor Buyer shall be obligated to make any third party payments in order to obtain consents.

d. *Waiver.* The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither the failure nor any delay on the part of any party in exercising any right, power or privilege under this Agreement or the documents referred to herein shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable law, (i) no claim or right arising out of this Agreement or the documents referred to herein can be discharged by one party hereto, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party hereto; (ii) no waiver which may be given by a party hereto shall be applicable except in the specific instance for which it is given; and (iii) no notice to or demand on one party hereto shall be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to herein.

e. *Entire Agreement; Modification* This Agreement supersedes all prior agreements among the parties with respect to its subject matter and is intended (with the documents referred to herein) as a complete and exclusive statement of the terms of the agreement among the parties with respect thereto. This Agreement may not be changed or terminated except by a written agreement executed by all of the signatories hereto.

f. *Assignments; Successors.* This Agreement may not be assigned by either party without the prior consent of the other party, except that Buyer can assign this agreement or

any rights hereunder to any of its affiliates. This Agreement shall apply to and be binding in all respects upon, and shall inure to the benefit of, the successors and permitted assigns of the parties hereto. Nothing expressed or referred to in this Agreement is intended or shall be construed to give any person other than the parties to this Agreement any legal or equitable right, remedy or claim under or with respect to this Agreement, or any provision hereof, it being the intention of the parties hereto that this Agreement and all of its provisions and conditions are for the sole and exclusive benefit of the parties to this Agreement, their successors and assigns, and for the benefit of no other person.

g. *Section Headings, Construction.* The headings of Sections contained in this Agreement are provided for convenience only. They form no part of this Agreement and shall not affect its construction or interpretation. All references to Sections in this Agreement refer to the corresponding Sections of this Agreement. All words used herein shall be construed to be of such gender or number as the circumstances require. Unless otherwise specifically noted, the words "herein," "hereof," "hereby," "hereinabove," "hereinbelow," "hereunder," and words of similar import, refer to this Agreement as a whole and not to any particular Section, subsection, clause or other subdivision hereof.

h. *Counterparts.* This Agreement may be executed in one or more counterparts (by PDF, facsimile or other electronic transmission), each of which shall be deemed to be an original copy of this Agreement, and all of which, when taken together, shall be deemed to constitute one and the same agreement.

i. *Prevailing Party Fees.* In any action or proceeding to enforce this Agreement or any provisions hereof, the substantially prevailing party shall be entitled, in addition to its other remedies, to recover its reasonable attorney's and expert's fees, travel expenses, and court costs related to such action or proceeding.
